PO Box 141, Jackson, MI 49204 (517) 529-9240 info@clarklakebbc.org

Boat Application and Waiting List Application

The marina at the Clarklake Beach & Boat Club is not a public marina. It is a benefit of Club membership, and those using boats or visiting must either qualify as members or be guests admitted in accordance with Club rules.

To be eligible for a boat slip or to be placed on the Waiting List, an individual must be a Stockholding Member of the Club. Boats in the marina must be owned by the Member or by a person related to the Member as a parent or child. Please complete as much information as is currently available. (Please review the pertinent rules attached.)

The Clarklake Beach & Boat Club's Marina Permit specifies that "No boat shall extend beyond the end of the authorized slip length (being 22 feet from the dock)." Swim platforms, bow sprits, and/or pulpits must be factored into total boat length. The Club will no longer accept any boats exceeding 22 feet in length per Michigan Watercraft Registration and members will assume the responsibility that their boat can and will be moored within the 22 foot slip length-dimension specified in our permit. **10' Slip \$400 & 9' Slip \$370**

Boats with excessive widths including but not limited to pontoon boats must be moored in a 10-foot wide slip. Since there are a limited number of these slips, the Club cannot guarantee that one will be immediately available.

Name:

Street Address:

City: State Zip

Phone: Daytime Evening Other

e-mail address:

The Waiting List is for Members who have a boat and are prepared to put it in the marina or for those who anticipate getting a boat, but are waiting for a slip to be available.

Do you currently have a boat? Yes No

If you are not able to secure a slip, are you interested in subletting a slip if one becomes available? Subletting will not affect your position on the Waiting List.
