

CLARKLAKE BEACH & BOAT CLUB

PO Box 141, Jackson, MI 49204 (517) 529-9240 cbbc5100@gmail.com

BOAT & WAITING LIST APPLICATION

The marina at the Clarklake Beach & Boat Club is not a public marina. It is a benefit of club membership, and those using boats or visiting must either qualify as members or be guests admitted in accordance with club rules and bylaws. **The fee for a 10' slip is \$500.**

ELIGIBILITY: To be eligible for a boat slip or to be placed on the waiting list, an individual must have a full membership. Boaters must adhere to all CBBC marina rules.

WAITLIST: The waitlist is for members who have a boat and are prepared to put it in the marina or for those who anticipate getting a boat once a slip becomes available. You must attend the seasonal boaters meeting in the spring to maintain your seniority on the waitlist.

BOAT QUALIFICATIONS: CBBC marina permit specifies that "no boat shall extend beyond the end of the authorized slip length (24 feet from the dock)." Swim platforms, bow sprits, and/or pulpits must be factored into total boat length. The club does not accept any boats exceeding 22 feet in length per Michigan Watercraft Registration and members will assume the responsibility that their boat can and will be moored within the 24 foot slip length=dimension specified in our permit.

This form may be completed and sent to the above PO Box or email address.
